Committee Reports

Nothing to report.

Treasurer's Report

The big news is that the final payment on the Uniform Loan has been paid.

Fuller suggested that the same amount in the budget continue to be allocated to save up for when new **U**niforms when they eventually need replaced.

Financial report is available for anyone interested, see Tonya Crowe or Mr. Fuller.

New Band Director

Mr. Fuller reported that the school began advertising for the position for a new band director on January 3rd and there has already been some response.

Interviews will most likely be sometime in February, with the goal of the new director being hired in time to be a part of drum major try-outs, etc. in the spring and in plenty of time to begin work on next year's show. Mr. Fuller reassured the Band Boosters that he has input in this process. In addition, Tonya Crowe (parent, AHS faculty and band booster treasurer) has been selected by Principal Martin to be on the search committee. If any band parents have any good interview

questions or any concerns you would like to have shared as the school moves forward on finding a new band director, please share these with Tonya.

Nominating Committee

It is time to begin the process of selecting new members for our Band Booster Executive committee. The positions of President, Vice-President (in charge of fundraising), Secretary, and Treasurer are typically served in 2-year terms, which are up this year. If you would like to serve on a nominating committee to help select our new officers, please let Mr. Fuller know. Also, if you would be interested in yourself serving in one of these positions, or would like to nominate someone, see Mr. Fuller.

Extras

Bad Band Joke of the Day:

Two musicians are walking down the street, and one says to the other, "Who was that piccolo I saw you with last night?"

The other replies, "That was no piccolo, that was my fife."
